Baltic Sea Region Mobility Summit 2020

On-line event | September 8 – 10, 2020

SAVE THE DATE TO MIX WITH BALTIC SEA REGION MOBILITY STARS

A joint mobility conference of BSR electric, cities.m multimodal and SUMBA projects

- How can we upscale and replicate proven sustainable mobility solutions?
- What does e-mobility have to do with hospitals and cemeteries?
- Will the pandemic speed up or slow down the shift to sustainable urban mobility?
- Should be citizens given the same rights as experts in the mobility planning?
- How is a bicycle similar to a book?
- How can citizens take a rest in the middle of the streets?
- Spoilt for choice when you move around your city?

BRIEF INSIGHT INTO PROGRAMME¹

Day 1: 10:00-15:00 “RISE AND SHINE”

Highlights from the three projects feeding into the emerging sustainable mobility patchwork (Intermodality as a tool for sustainable cities, Commuting and Sustainability, Variety of e-Mobility).

Day 2: 10:00-15:00 “WORK IT OUT”

Interactive workshops on sustainable mobility planning: from data to planning, from planning to measures and testing our “Intermodalizer” in your city.

Virtual Tours: from e-scooters to e-ferries, mobility points, bicycle library, innovative community involvement etc.

Riga is never finished: Riga’s ambition and activities towards attractive, convenient and sustainable mobility

Day 3: 10:00-13:00 “LOOKING TOWARDS THE FUTURE”

A future outlook to sustainable urban mobility: COVID-19 impacts on the sustainability of transport, sustainable mobility in the European Green Deal, policy ambitions and policy programming, taking citizens on board when shaping mobility solutions.

In addition: **THE FIRST EVER ONLINE MOBILITY PARTY** with a DJ, great music, dancing & chit-chat about projects

Registration open at <https://forms.gle/jJFB9LhYikf6sQVd7>
Summit e-mail: mobility.summit.2020@gmail.com

¹ All times are CET Berlin/Stockholm/Warsaw/Brussels), Riga/Tallinn/Vilnius/Helsinki time zone is one hour ahead
